

Our Patriotic Character

The DBU Patriots take on the Creighton University Bluejays during the 2013 baseball season opener in the newly constructed Joan and Andy Horner Ballpark

In addition to cheering on the Patriot Athletic Teams, DBU's cheer squad regularly competes in state and national college cheer competitions

DBU's student-athletes are asked to embody our Patriotic character to the outside world on a daily basis. Expectations are high, both on and off the field, for players to model Christ-like character and uphold the core values of the University. Our athletes have answered that call with excellence. The men's Patriot Baseball Team competes at the NCAA Division I level and has repeatedly gained national recognition. DBU Baseball has seen four NCAA Regional appearances and took home the Missouri Valley Conference Tournament Championship last season, while the Women's Patriot Soccer Team has advanced to the NCAA Regional Tournament three times in the past four years.

However, Patriot Athletics is about more than winning games. DBU student-athletes are given a rare opportunity to shine the light of Christ not only through local competition, but also on a global scale. The Patriot Athletic Global Sports Mission Initiative was created to allow DBU student-athletes the opportunity to experience other cultures by serving abroad as "Champions for Christ." Recent mission trips include Brazil, Chile, China, Dominican Republic, England, Guatemala, Honduras, Peru, and South Korea.

At DBU, student-athletes share the love of Christ through hands-on service projects on a regular basis. In addition to global initiatives, DBU student-athletes are able to apply their leadership skills and God-given talents through service-learning experiences here at home.
