Women's Auxiliary Board Membership Tea

This year's Women's Auxiliary Board Membership Tea was held in the Patty and Bo Pilgrim Chapel on the DBU campus. Tours were given of DBU's newly constructed Joan and Andy Horner Hall. Modeled after Congress Hall, Horner Hall houses a state-of-the-art audio recording studio, offices and classrooms for communication and music business departments, and a music laboratory.

The Membership Tea, chaired by Mrs. Sally Nation, Women's Auxiliary Board vice president of membership, was a time for the Auxiliary Board to invite friends to the DBU campus and recruit new members. The Women's Auxiliary Board thanks Mrs. Natalie Owens for her year of service as President and welcomes Mrs. Sheila Cook, wife of DBU President Dr. Gary Cook, as the new president for the 2011-2012 membership year.
